Grants matching your search for **2007-08 Household Hazardous Waste Discretionary Grants (HD16F)**

Alameda County

Grantee: City of Berkeley

Amount Awarded: \$139,255.00

Grantee Contact: Ms. Carrie Estadt

CalRecycle Grant manager: Linda Dickinson

Project Summary: The City of Berkeley requests a Household Hazardous Waste (HHW) Infrastructure grant to improve Universal Waste (UW) collection opportunities for Berkeley residents and to increase public awareness of the ban on disposing UW in the landfill. The City of Berkeley has never received grant funding to assist with establishing UW collection programs. The City will focus on making these programs self sustaining at the conclusion of grant funding.

Grantee: City of Fremont

Amount Awarded: \$300,000.00

Grantee Contact: Mr. Ken Pianin

CalRecycle Grant manager: Linda Dickinson

Project Summary: Admin Costs, Collection, Residential Collection, Temporary/Mobile Collection, Construction/Application, Education, Publicity and Education, Innovative Public/Private Partnership, Partnership, Personnel, Personnel/Other, Planning/Design/Development/Fabrication

Total Awarded for County:\$439,255.00

Contra Costa County

Grantee: West Contra Costa Integrated Waste Management Authority

Amount Awarded: \$70,459.00

Grantee Contact: Ms. Nicole Forte

CalRecycle Grant manager: Linda Dickinson

Project Summary: The West Contra Costa Integrated Waste Management Authority is seeking funds to establish a `mobile` component to household hazardous waste programs and services in West Contra Costa County, including servicing HHW door-to-door collection programs in-house, providing support to local agencies with illegally dumped HHW, establishing small scale HHW collection opportunities and promotions in the community and educating residents about HHW programs and services.

Total Awarded for County:\$70,459.00

Del Norte County

Grantee: Del Norte Solid Waste Management Authority

Amount Awarded: \$300,000.00

Grantee Contact: Mr. Tedd Ward

CalRecycle Grant manager: Cynthia Dunn

Project Summary: Make 25 presentations and other outreach throughout the grant term to educate local governments and staff about the benefits of `cradle-to-cradle` producer responsibility; Assist at least 10 California local governments to adopt ordinances, resolutions, and/or policies supporting u-waste reduction, collection, and take-back partnership programs and at least 10 local policies to be adopted such as purchasing policies that incorporate producer responsibility or green business or sustainability plans; Conduct webcast educational workshops at the Cal EPA building on fluorescent lamp and battery management systems; and, Work with DNSWMA, San Bernardino County, Sonoma County, Tuolumne County, and the City of Santa Monica, at a minimum to develop public/private partnerships which will increase the collection and recycling of u-waste.

Total Awarded for County:\$300,000.00

El Dorado County

Grantee: El Dorado County

Amount Awarded: \$91,350.00

Grantee Contact: Mr. Dave Johnston

CalRecycle Grant manager: Elaine Novak

Project Summary: This project will expand one of the County`s permanent HHW collection facilities to accommodate increased universal, sharps and household hazardous waste collection. The County operates an HHW/Universal Waste collection facility at El Dorado Hills Fire Station #86. The facility must be expanded to accommodate the continuing increase in public participation and to accept e-waste on a regular basis. The project will also encourage rural County residents to utilize the expanded facility by implementing the pioneering CBSM techniques employed by the City of Folsom that produced a 54% increased in public participation.

Total Awarded for County:\$91,350.00

Fresno County

Grantee: Fresno County

Amount Awarded: \$300,000.00

Grantee Contact: Leslie Kline

CalRecycle Grant manager: Linda Dickinson

Project Summary: The County of Fresno and the 15 jurisdictions in Fresno County are proposing to develop a permanent HHW facility. Under a regional MOU, the County, as lead agency, is applying for a \$300,000 grant for the initial construction and acquisition of equipment for a permanent HHW facility to serve the residents of the County and its 15 jurisdictions . The proposed facility is anticipated to significantly increase public participation in local HHW collection programs. The target goal, after 10 years growth, is to serve approximately seven percent of household annually. The number of program users is projected to increase from approximately 2,600 households per year (the current service rate) to 25,000 households per year in ten years.

Total Awarded for County:\$300,000.00

Kern County

Grantee: Kern County

Amount Awarded: \$300,000.00

Grantee Contact: Ms. Lynette Beurmann

CalRecycle Grant manager: Linda Dickinson

Project Summary: Funding will assist in building and supplying equipment for a new Permanent Household Hazardous Waste Collection Facility to service in the north east desert communities of Kern County and the City of Ridgecrest. Expand collection opportunities to include sharps collection and a Conditionally Exempt Small Quantity Generator program. County to fund sharps containers, publicity for permanent site, Universal Waste, CESQG, Sharps and residential collection. County to fund all staffing and disposal cost associated with the collection site.

Total Awarded for County:\$300,000.00

Los Angeles County

Grantee: Los Angeles County

Amount Awarded: \$110,000.00

Grantee Contact: Armine Kesablyan

CalRecycle Grant manager: Nancy Fallan

Project Summary: The County of Los Angeles, in partnership with the City of West Covina, will implement a new sharps collection program exclusively for home-generated sharps waste collection and disposal. Through this proposed project, the County will purchase state approved disposal containers that will be distributed to residents of Los Angeles County for free. Distribution outlets for the sharps containers will include County's mobile HHW events, the City of West Covina, AVECC, contracted waste haulers through the existing Garbage Disposal Districts, Goodwill Industries, and County facilities. Collection outlets for the containers will include County's mobile HHW events, AVECC, and the City of Los Angeles' permanent centers and mobile events.

Total Awarded for County:\$110,000.00

Marin County

Grantee: Marin County Hazardous and Solid Waste Joint Powers Authority

Amount Awarded: \$300,000.00

Grantee Contact: Eric Lueder

CalRecycle Grant manager: Linda Dickinson

Project Summary: The Marin County Hazardous and Solid Waste Joint Powers Authority (JPA) Permanent Household Hazardous Waste Facility Expansion Project (Facility Expansion) will expand the existing Household Hazardous Waste (HHW) FACILITY FROM 11,000 square feet to 23,000 square feet into space currently occupied by Marin Sanitary Service (MSS) metal and wood recovery activities in order to manage increased HHW program participation locally, as well as to manage materials being recovered per stat mandates. The Facility Expansion will provide infrastructure improvements at the existing permanent drop-off facility to enhance handling and storage capability for this ever increasing waste stream that will enable it to meet the needs of the community while improving the safety and health of both the workers and public. Additionally, it will allow for continuous drive through customer access during normal facility operating hours, thus relieving congestion and increasing HHW drop-off convenience . The HHW facility has been managed by the City of San Rafael Fire Department for over 10 years as a public/private partnership between the JPA, the City of San Rafael, and MSS, who jointly seek to improve its operational efficiency and maximize collection of HHW materials within their jurisdiction.

Total Awarded for County:\$300,000.00

Monterey County

Grantee: Salinas Valley Solid Waste Authority

Amount Awarded: \$104,498.00

Grantee Contact: Mandy Brooks

CalRecycle Grant manager: Linda Dickinson

Project Summary: The Salinas Valley Solid Waste Authority is requesting support in the amount of \$104,498 to fund the design of a new and expanded HHW facility to be located at the Sun Street Transfer Station. The current, temporary HHW facility is scheduled to be demolished with the existing transfer station. A new, expanded, and permanent HHW facility is necessary to meet the increased demand for such a facility. With the increase of identified household hazardous waste and universal waste, as well as, the Authority's commitment to reach 75% diversion by 2015, a new and larger facility is critical. Funding to support the design will enable the Authority to move forward with this project in a more timely manner.

Total Awarded for County:\$104,498.00

Sacramento County

Grantee: City of Folsom

Amount Awarded: \$63,992.00

Grantee Contact: Mr. Rod Miller

CalRecycle Grant manager: Elaine Novak

Project Summary: The City of Folsom proposes to expand universal waste and sharps recycling opportunities for Folsom business, residents and the region. The project will establish drop-off locations in partnership with local businesses for fluorescent lamps and household batteries. It will establish new community collection sites (consolidation points) for sharps. It will expand the City's door-to-door collection program to small businesses that need to recycle Universal Wastes. It will expand Folsom Hazardous Materials Division's pesticide use reduction activity. These programs added to Folsom's existing programs, create the model household hazardous waste (HHW) collection system necessary to achieve high levels of HHW diversion.

Total Awarded for County:\$63,992.00

San Bernardino County

Grantee: San Bernardino County

Amount Awarded: \$200,000.00

Grantee Contact: Ms. Stephanie Odenbach

CalRecycle Grant manager: Nancy Fallan

Project Summary: San Bernardino County Fire Department requests grant funds for the expansion of five county-operated Permanent HHW Facilities and Temporary HHW/E-waste events to include home-generated sharps collections. If awarded, grant funds will be used for the expansion of the San Bernardino Central HHW facility to accommodate home-generated sharps consolidations from new collection points established at the Hesperia, Ontario, Joshua Tree, and Big Bear Lake HHW Satellite Facilities, as well as from home-generated sharps collected at county operated Temporary HHW/CRT/E-waste collection events. Permanent and Temporary events will be outfitted with the supplies needed for the collection of home-generated sharps per Title 14 guidelines and guideline updates. in anticipation of the September 1, 2008 ban of sharps disposal in the municipal waste stream, and associated specified packaging requirements for transport and disposal at approved facilities. The proposed project also calls for a minor expansion of asphalt at the Joshua Tree HHW facility, to accommodate periodic one-day CRT/E-waste collection events.

Total Awarded for County:\$200,000.00

San Diego County

Grantee: City of Chula Vista

Amount Awarded: \$300,000.00

Grantee Contact: Mr. Manuel Medrano

CalRecycle Grant manager: Nancy Fallan

Project Summary: The funding sought in this grant proposal will help our program increase disposal options for universal waste and sharps with two methods: 1) Offer temporary collection events held at parking lots of regional parks and shopping malls and local high schools, These events will collect all universal and electronic waste and sharps; and 2) Work with local retailers with multiple sites in our region to offer convenient drop-off locations for household batteries and sharps in their stores.

Grantee: San Diego County

Amount Awarded: \$200,000.00

Grantee Contact: Ms. Rebecca Lafreniere

CalRecycle Grant manager: Nancy Fallan

Project Summary: The County of San Diego's proposed project includes mechanisms to improve collection options and increase awareness of proper disposal and recycling requirements for home-generated sharps and universal wastes. Funding priorities include: *Establishment of Home-generated Sharps Consolidation Points in rural, underserved communities; * Implementation of Pilot Battery Collection Points in County Libraries in unincorporated communities; Special One-day HHW Collection Events focused on promoting proper management of U-waste and sharps; * Mercury Thermometer Exchange events; and * Outreach & Education to underserved communities.

Total Awarded for County:\$500,000.00

San Luis Obispo County

Grantee: San Luis Obispo County Integrated Waste Management Authority

Amount Awarded: \$296,300.00

Grantee Contact: Mr. William Worrell

CalRecycle Grant manager: Linda Dickinson

Project Summary: The San Luis Obispo County Integrated Waste Management Authority (IWMA) is applying for funds to establish a regional sharps `Take Back` program. This program will replace the collection of these materials at the existing IWMA household hazardous waste collection facilities with the development and implementation of a public/private partnership between local government and the retailers who sell sharps.

Total Awarded for County:\$296,300.00

Santa Clara County

Grantee: Santa Clara County

Amount Awarded: \$300,000.00

Grantee Contact: Mr. Rob D`arcy

CalRecycle Grant manager: Linda Dickinson

Project Summary: The Santa Clara County (SCC) Household Hazardous Waste (HHW) Program proposes to: 1) Expand collection opportunities for mercury-containing universal waste including thermostats, fluorescent lighting, thermometers, and household batteries at retail collection sites; 2) Develop and increase collection opportunities for home generated sharps at local pharmacies and medical facilities, and increase the volume of sharps collected; 3) Increase awareness on proper disposal of mercury containing products and home generated sharps through public education and outreach.

Total Awarded for County:\$300,000.00

Santa Cruz County

Grantee: Santa Cruz County

Amount Awarded: \$240,664.00

Grantee Contact: Mr. Jeffrey Smedberg

CalRecycle Grant manager: Linda Dickinson

Project Summary: Establish a permanent and convenient sharps and pharmaceuticals collection network through a public/private partnership among local government agencies. medical facilities, hospice facilities, pharmacies, veterinarians, and law enforcement agencies to serve the entire population of Santa Cruz County and provide safe and legal disposal of all collected wastes. Mount a comprehensive multi-media public education campaign targeting residents and medical professionals to teach proper disposal methods for sharps and pharmaceuticals and advertise free drop-off locations. Provide proper sharps containers for residents who are not accustomed to their use and who may generate larger quantities of this waste stream on a regular basis, such as patients receiving hospice care of diabetic patients.

Total Awarded for County:\$240,664.00

Shasta County

Grantee: Shasta County

Amount Awarded: \$300,000.00

Grantee Contact: Mr. Rick Simon

CalRecycle Grant manager: Elaine Novak

Project Summary: We propose to hold 8 (or more, if funding remains) temporary, on-day HHW collection events in the rural areas and small cities of Shasta County during 2008 and 2009. We also plan to attend community events to provide education and answer questions about HHW.

Total Awarded for County:\$300,000.00

Siskiyou County

Grantee: Siskiyou County

Amount Awarded: \$300,000.00

Grantee Contact: Mr Garrett Johnson

CalRecycle Grant manager: Elaine Novak

Project Summary: In underserved Siskiyou County this regional program includes establishing convenient battery and fluorescent tube recycling drop-off locations, provide convenient hazardous waste recycling, expand our HHW infrastructure, and expand our universal waste infrastructure. Additionally , we are proposing to continue to educate residents on the hazards of improper disposal .

Total Awarded for County:\$300,000.00

Sonoma County

Grantee: Sonoma County Waste Management Agency

Amount Awarded: \$199,755.00

Grantee Contact: Patrick Carter

CalRecycle Grant manager: Linda Dickinson

Project Summary: The Sonoma County Waste Management Agency (SCWMA) has determined the need to expand its household hazardous waste program to better serve Sonoma County households. There is currently on permanent, full-service collection facility located in the southern portion of the over 1,500 square miles that make up Sonoma County. A recent program benchmarking and evaluation of the SCWMA`s HHW program has exposed the need to expand collection offerings to both rural, unincorporated areas, as well as large, urban populations of Sonoma County. This grant request would allow the SCWMA to begin siting, examining environmental impacts of, and permitting three satellite collection facilities and two permanent, full-service facilities in these underserved areas.

Total Awarded for County:\$199,755.00

Tulare County

Grantee: Tulare County

Amount Awarded: \$155,780.00

Grantee Contact: Mr. Joel Martens

CalRecycle Grant manager: Linda Dickinson

Project Summary: The Project proposes innovative new partnerships with nonprofit organizations to establish universal waste collection opportunities in underserved areas. Costs incurred by the nonprofit organizations to collect U-waste will be reimbursed on a per item basis after the pattern established for Covered Electronic Wastes by the Electronic Waste Recycling Act.

Total Awarded for County:\$155,780.00

Ventura County

Grantee: City of Thousand Oaks

Amount Awarded: \$196,000.00

Grantee Contact: Gail Kaufman

CalRecycle Grant manager: Nancy Fallan

Project Summary: The proposed grant would provide funding for project planning and design costs for a planned permanent HHW facility. Also, if the grant is approved, the City would study methods to increase collection of universal waste and increase participation in our CESQG program. Some of these methods could be implemented prior to the opening of the proposed permanent HHW Facility, others would be implemented after. Approval of the grant funds would expedite the construction and operation of the planned permanent HHW Facility.

Total Awarded for County:\$196,000.00

Grant Count: 22

Grand Total for Selected Counties: \$4,768,053.00
